

UDS Board Meeting Minutes

Wednesday, June 2, 2010, at the office of Sue Jero

Submitted by Vicki May – Helping Out

Attendees: Stephanie Brown-Beamer, Sue Jero, Vicki May, Kay Van Patter, Corrine Cody, Eva Adolphi, Sari Stevens, Stacey Ade and Allison Child and Sally Shaffer, guests

DISCUSSION

Eva Adolphi:

- Eva suggested we add a price for a person showing for the first time in a UDS Recognized Show
- She also suggested we have Blue Ribbon winners write a small Thank You note on pre-printed Thank You notes to the sponsor of the class they won.

Old Business:

- Sue said that the prize list has been approved by the USDF and is posted on line.
- Hotel is done, Country inn Suites.
- Vet has been arranged for.
- Ferrier still needs to be found.
- Volunteer boxes need to be checked.
- Prizes/ribbons need to be put together.
- Sue had arranged for a company to supply two porta potties, but it was noted that the So. Jordan Equestrian Center has two porta potties. She will check to see if we can use those instead of having others brought in.
- Sue has organized the insurance policy and info in a convenient folder. Eva said she needs to send out copies of the policy to the RMDS and So. Jordan Equestrian Center. The insurance policy comparison Sue did, turned out that our current insurer has the best rate.
- Show program deadline is June 22nd. The program may include members of the Show Team, a listing of horse breeding, age, color, etc., for horses in the show, sponsors and list of perpetual trophies, etc.
- It was suggested that we encourage Barn teams as volunteers for job at the show
- The web site is pretty current, but Vicki is working on getting updates done such as old newsletters, minutes, etc. The show results for the Lynnleigh show and will be posted this weekend. Vicki will contact Julie about updating the New Membership form with pricing and the Show Entry form to take off Non-Member Entry fee.

- Stacey discussed the UDS sponsoring an Amateur Clinic. Everyone was in favor of having the clinic. The timeframe will be after the World Equestrian Games in September. Stacey will talk to Millbrook and see if they would be interested in hosting this clinic in their new facility in Fairfield. Stephanie will contact Lilo Fore as a possible clinician.
- The database meeting with Kevin will be held either on June 15 or 17. Sue will send out an email with the exact date, time and location. Board members are invited if interested.

New Business

- Discussion on hosting Instruction Program in 2011 tabled until after the UDS show.
- After a brief discussion on the Utah hosting the Region 5 Championship in 2012, it was decided that the UDS would support this endeavor and help with the event. Further discussion tabled until after the UDS show.
- Stephanie would like the L Program info put back on the web site. Vicki will look into getting that back up.
- It was discussed that all UDS recognized shows be called UDS Recognized Shows, not schooling shows.

Board Position Check In

- Sari said that she would like to pass the Marketing position onto someone else at the next election. She would be willing to help that person.
- The web site is pretty current, but Vicki is working on getting updates done such as old newsletters, minutes, etc. The show results for the Lynnleigh show and will be posted this weekend. Vicki will contact Julie about updating the New Membership form with pricing and the Show Entry form to take off Non-Member Entry fee.
